NEWSLETTER- AUGUST 2015

TECHNOLOGY IN ACTION

Technology is an exciting learning area at Remuera Intermediate School, a specialty area that challenges students in ways unlike any other subject. Our students work analytically and creatively to solve authentic problems. They trial and create potential solutions to these problems by putting their innovative ideas into practice. In technology, students learn the practical and academic skills essential for high achievement in life, tertiary study and future careers.

Our students are involved in thinking critically, ideas generation, teamwork, managing time and resources, planning, meeting stakeholders' needs, making modifications, testing, modelling, reflection and evaluation and working with real industry experts.

We are holding an evening to showcase the amazing work our students are involved in. This is a great opportunity for families with current Year 6 or Year 7 students to see what happens in the Technology Rooms in Year 8.

**Come along on Thursday 17th September from 6.30 – 8.00pm
and see demonstrations of various products created.**

ICAS SCIENCE RESULTS

We recently received results from the ICAS Science Exams 2015. In the New South Wales ICAS Exam competitions a Distinction is awarded if the student's results put them in the top 5% of students sitting the exam.

A High Distinction is awarded for the top 1% of students.

Congratulations to the following students on their outstanding results. The following students gained High Distinction or Distinction marks:

High Distinction:

Eddie Zhang, Kiran Chung, Luke Bao, Anthony Khoo, Niko Hoare, Akindu Marasinghe, Michelle Guan

Distinction:

Eric Li, Sota Osaki, Ari Nikoloff-Kraan, Akeeshan Sivakumar, Luxana Umaharan, Sahan de Silva, Aditya Behera, Kelvin Liu, Ben Schenk, Chris Kim, Anthony Kerr-Munley, Alesha Kant, Jake Moon, Ming Wang, Pranav Balamurali

ENROLMENTS FOR Year 7 2016

Enrolment forms for Year 6 students who have siblings at the school are at the school office. Please ensure these are completed and handed in as soon as possible.

Contact Details

Are the contact details we have for your child up to date? It is important that we are able to contact you or another carer in the event of an emergency or if your child is sick at school.

In the future, we would like to be able to communicate with parents by email for some notices and newsletters, therefore, we would be grateful if you could please email us with your current contact details including your preferred email address.

If you do not want to be contacted via email, please let us know.
